

# CLASSROOM CODE

I will be polite at all times.

I will not disturb others when I work.

I will listen when others are talking.

I will be friendly to my classmates.

I will respect my teacher and other adults.

I will be truthful and honest.

I will be prepared for class everyday.

I will cooperate with others.

I will take responsibility for my actions.

I will treat others the way I want to be treated.

I will think of others before myself.

I will always do my best.

Why are you writing the Classroom Code?

---

How did your behavior choice hurt others?

---

How did your behavior choice hurt yourself?

---

What could you do differently next time to solve your problem in a better way?

---

Please write the Classroom Code on the back of this paper.
